

We invite you and
are present as exhibitors

INDEX

OPEN HOUSE 2023

Invitation
April 25-28, 2023

NEW

Universal turning machine
INDEX B500 as long version
with 18 tool stations and turning length up to 1200 mm
for more processing possibilities.

Production turning machine
INDEX ABC with **FANUC** control.
Unsurpassed power density and
high dynamic. With Y axis as standard!

NEW

Sliding headstock automatic lathes.
Compact. Precise. Fast.
> TRAUB TNL32 compact
> TRAUB TNL20

Turn-mill centers for flexible and highly productive machining.
> TRAUB TNX220 with robot cell **iXcenter**
> INDEX G220 with bar loader **MBL76**
> INDEX G320 with tool magazine **iXtools**
> INDEX G420 with robot cell **iXcenter**
> INDEX G520 as long version

INDEX multi-spindle technology for high
productivity and short cycle and set-up times.
> INDEX MS22-8
> INDEX MS24-6

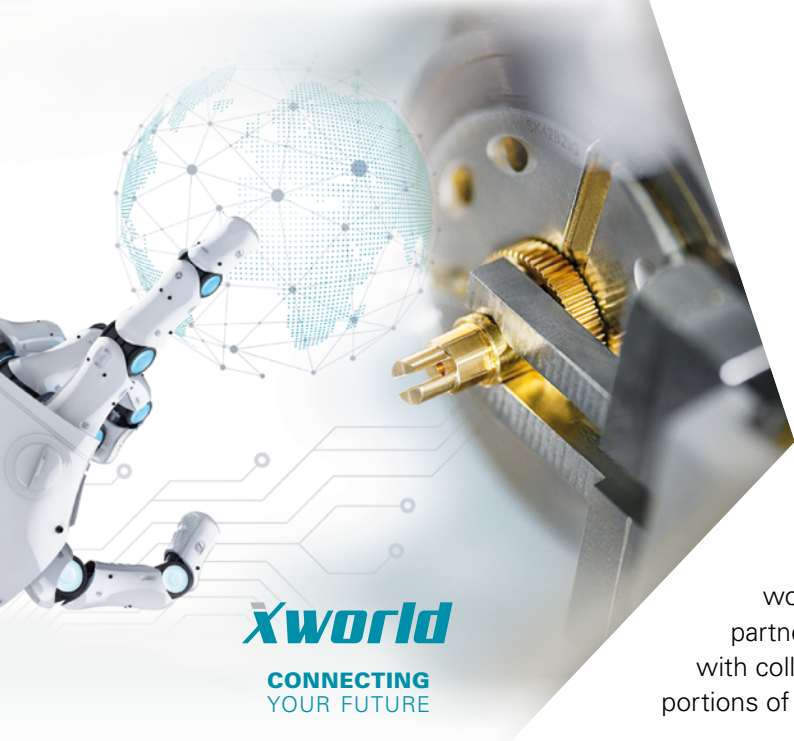

Sliding and fixed headstock
automatic lathe with unbeatable
precision and productivity.
> TRAUB TNL12

**Get
together**
with our
industry and
technology
experts

MEET THE EXPERTS

Our know-how – your advantage

- > Technology solutions** Gearing, whirling, grinding etc.
- > Automation solutions** Everything from a single source
- > Medical solutions** Precision in medical technology
- > iXshop** Efficient and easy procurement
- > iX4.0** Transparency and productivity with the IoT platform
- > Virtual machine** The digital twin of your INDEX machine
- > INDEX Refit** Professional overhauls in manufacturer quality
- > iXservices** Comprehensive after-sales solutions

Xworld
CONNECTING
YOUR FUTURE

WELCOME@INDEX

April 25 - 28, 2023

daily 8:30 am to 5 pm

73262 Reichenbach, Germany

Experience our innovative machine solutions and services for the entire metal cutting process chain.

Get inspired with a sustainable growth plan that incorporates INDEX and TRAUB technology solutions and a digitally networked production process. Discover exciting innovations in our partner exhibition, join lectures on the latest trends, exchange ideas with colleagues and take some time to relax with the entertainment portions of our program. **We look forward to your visit!**

SOLUTIONS

Continuous innovation for your success

- › **Production turning machines**
Optimum productivity and proven reliability
- › **Multi-spindle automatics**
Maximum productivity and lowest cost per piece
- › **Sliding headstock automatic lathes**
Economic production of varied workpieces
- › **Turn-mill centers**
Extreme flexibility for demanding machining operations
- › **Universal turning machines**
Universal and robust for precise and powerful machining

PARTNER EXHIBITION

Your industry get together for cutting technology

EVENING EVENT

Thursday, April 27, from 4:30 pm

You are welcome to stay for a relaxed get together with us. Look forward to the exciting **event cartoonist Marcel Bender** and the unique **DJ YURN** with **saxophonist Michael Schreiber**.

TAKE PART

Simply register online:

› www.index-traub.com/openhouse

You are also welcome to get in contact with your regional sales partner.
